

**11-42-204. Hearing.**

(1) On the date and at the time and place specified in the notice under Section 11-42-202, the governing body shall hold a public hearing.

(2) (a) The governing body may continue the public hearing from time to time to a fixed future date and time.

(b) The continuance of a public hearing does not restart or extend the protest period described in Subsection 11-42-203(1).

(3) At the public hearing, the governing body shall:

(a) hear all objections to the designation of the proposed assessment area or the improvements proposed to be provided in the assessment area; and

(b) hear all persons desiring to be heard.

(4) The governing body may make changes in:

(a) improvements proposed to be provided to the proposed assessment area; or

(b) the area or areas proposed to be included within the proposed assessment area.
